May God who blessed our ancestors Avraham, Yitzhak, and Yaakov, Sarah, Rivkah, Rachel, and Leah bless the new mother **[mother's name]**, and her husband **[father's name]**, and their daughter who has been born at an auspicious time, and may she be known in Israel as **[daughter's name], daughter of [name] and [name]**. May the Holy Blessed One watch over and save them from all trouble and distress, and from all injury and illness, and may her parents merit raising her to a life of Torah, the marriage canopy, and good deeds, and together we say Amen.
